4.0 BUDGET SUMMARY

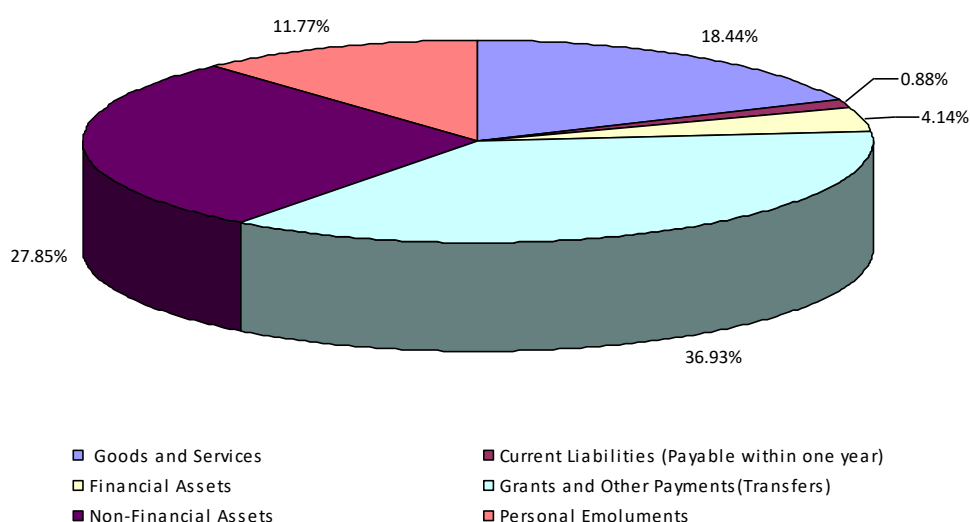

The total Mumbwa Town Council budget allocation for the year 2025 is K180.5 million representing a 69.3 percentage increase from the previous years' budget which stood at K106.6 million. The increment is mainly attributed to the upward adjustment of the Constituency Development Fund (CDF) programme from K30.6 million to K36.1 million per Constituency by Central Government aimed at improving the economic livelihoods of the community, Cash For Work which stands at K51 million and also the Zambia Devolution Support Programme Capital grant which stands at K8.3 million.

The Devolved functions adds to the budget increase as more functions have been incorporated in the Local Authority which is the Agricultural Services, Fisheries and Livestock, Social Services and Community Development. This budget will support the implementation of 17 programmes in line with the Council's Integrated Development Plan and the 8th National Development Plan.

Mumbwa district is focusing on reducing maternal mortality through increasing the number of skilled personnel. As at June, 2024, 85% percent of deliveries were conducted by skilled personnel. This achievement is attributed to placement of skilled personnel in health facilities.

The district has set a target of 100 percent for deliveries conducted by skilled personnel in 2025. The district has also set a target of ensuring that all health facilities have at least one qualified personnel.

The burden of malaria remains a significant public health concern in the district. In this regard the district has set a goal of halting malaria transmission, resulting in a decrease in malaria incidence from 87.9/1000 per 1,000 population in 2023 to 75.6/1000 per 1,000 population in 2024. As at June, malaria incidence per 1000 population stood at 55.9 per 1,000. For 2025, the district has set a target of 64.0 per 1,000 population. As at June, 2024, a total of 1006 individuals living with HIV were initiated on Anti-Retroviral Therapy (ART) against a target of 1060. For 2025, the district has set a target to initiate 100% individuals living with HIV on ART.

In order to increase on the immunization coverage, the department aims to intensify on outreach services, community engagement and monitoring activities. Further, the district will embark on identification and vaccinating the zero dose children.

In order to enhance performance District Health Offices will continue providing technical support to lower levels. In 2025, the district is planning to mentor all health facilities. This is aimed at improving the indicator outputs by system strengthening and technical assistance to all lower levels of care.
